

## **Local Break Structure 2016 Rio Olympics**

Please note that all Olympics programming on the cable network of NBCUniversal will follow the same break structure with 2 x :90 local breaks per hour. All networks will follow this structure when Olympics programming is on.

Each network will defer to the regular scheduled local break format for their regular/non-Olympic programming.

For more information on the Rio Olympics, please go to our dedicated affiliate site for Rio – <http://nbcurio.com>
